What a totally amazing two days at St Lawrence last weekend for the Summer Bank Holiday events! It was such a pleasure to welcome hundreds of visitors to St Lawrence who loved the beauty of the church, the thrill of the Tower, the taste of the Teas and the fun of the stalls. An incredible sum of over £1900 was raised between the two days – a record! And **huge thanks** to everyone who helped in any way and supported the events, it really was a fantastic result and lots of fun.

We would like to place a **TIME CAPSULE** into the foundations of the Children's Room – please give any suggestions for an item to Reverend Allan, Beverley or Alison.

... we remember Sheelah Wray who has now moved into a care home. We also pray for those in need of any kind around the world, remembering especially those caught up in Hurricane Harvey and the massive floods in South Asia. Also for discourse and stability between North Korea and other nations.

*Lord, make me an instrument of Thy peace;
where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
and where there is sadness,
joy.....*

Churchwardens Beverley and Alison would like to thank everybody for their kindness and generosity in surprising us with such marvellous gifts, AND cake! The beautiful hydrangeas will give such joy and be a constant reminder of you all – although the fizz might not last quite so long! You have all been so supportive through the vacancy and are very good friends too'. With Love from us both.
